

## 22 SHIPS IN JAP CONVOY ARE SUNK

### Flight Commander

CAPT. THOMAS J. WHITE

Capt. Thomas Jefferson White, United States Army Air Corps, is now stationed at Lake Charles Air Base at Lake Charles, La., and has been made a Flight Commander.

Capt. White volunteered for foreign service recently and was transferred from MacDill Field, Tampa, Fla., to the air base at Lake Charles. Prior to reporting to the Lake Charles Air Base he was an instructor at MacDill Field, flying the Army B-26. He had been an instructor there for several months.

Capt. White rose from the ranks to become a Captain in two years. He volunteered for service in February 1941 and reported to the induction station at Fort Sam Houston. From Dodd Field he went to the Medical Corps at Fort Sam Houston. He had placed an application for the air corps to be come a combat pilot before he volunteered for service. In July of 1941 he was accepted and reported to the primary training base at Muskogee, Oklahoma. Graduating there he was sent to Randolph Field, San Antonio, where he completed his basic training. He went to advanced school at Ellington Field, Houston and there earned his wings as a pilot and was Commissioned a 2nd Lieutenant.

From Ellington he was sent to the Jackson Air Base at Jackson, Miss., flying the B-25 army bomber, the ship General Doolittle used in his historic raid on Tokyo. From Jackson he went to Columbia, South Carolina, and later, following his promotion to rank of First Lieutenant, reported for duty at Meridian, Mississippi. From there he went to MacDill Field, Fla., and became an instructor.

Capt. White graduated from Yoe High School in the class of 1936 and enrolled at Rice Institute that fall as a student in Chemical Engineering. He was elected to Phi Beta Kappa in his Junior year, based upon a brilliant student record and was given the Institute Award.

He returned to Rice upon invitation of the faculty to do graduate work in Mathematics for which a fellowship was to be awarded and a Ph. D. degree. The war interrupted his plans and now he commands a flight of the world's fastest bombers.

### CITY ELECEION ON TUESDAY APRIL 6

The city council will meet Tuesday night to fix the last date for filing for the ballot.

The terms of Aldermen Horstmann, McDermott and Terry expire.

In February of 1944 a primary will be held. The usual practice of paying little attention to the off year elections has been followed this year. The local Democratic Committee never calls for a primary unless opposition develops.

### Bennie Lee Harris Wounded; On Way Home to Parents

Bennie Lee Harris, wounded in action in the South Pacific is on his way home to Cameron.

At present he is at Treasure Island in California and is expected to reach home soon.

Harris was in the navy and volunteered for service in 1942.

### CARROLL WOOD GOING TO ORANGE HI SCHOOL

Carroll Wood, head athletic coach here for the past ten years, Friday was notified by the superintendent of schools in Orange that he is wanted there for an important assignment as Athletic Director.

The offer is an attractive one and gives Coach Wood a promotion which is well deserved. He will accept the offer to begin duties in April.

Coach Wood had this matter under advisement at the time he received notice that his services as an Athletic Director had been accepted by the United States Army. He had tendered his resignation here and was preparing to accept the army assignment when the Orange offer was received here early Friday.

At Orange he will have under his supervision 500 boys and the physical education program there is part of the military plans of the army to develop young men for prospective service in the armed forces. Coach Wood feels that his contribution will be much greater at Orange and friends here were in hearty agreement with that view.

Coach Wood is a veteran of World War 1 and is past military age. He volunteered for service in making his application for the army as a Physical Education Director.

The place at Orange will give him a job for which he is well equipped, in fact Wood is conceded to be one of the outstanding high school coaches in the Southwest. He would not be directly concerned with football at Orange but would have a more important assignment.

In accepting the Orange offer he goes to a field where he can have encouragement and co-operation and do his best work. In Cameron his athletic program has never received proper sympathy and support from the School Board or Superintendent. Despite this he demonstrated his loyalty by going ahead and doing a good job under great handicap. He now escapes the provincial atmosphere which has so mitigated his fine efforts here.

Orange High School is one of the largest in Texas and its program is in full co-operation with the war aims of the country.

Cameron will not be able to replace Carroll Wood and his record here is outstanding.

### Protection Sought For Gardens Here

Co-operation was requested Wednesday by Mayor Leland Green from cow owners in the city.

Many complaints have come in about cows eating up vegetable gardens and the police force has been asked to assist in protecting property.

Jim McGoldrick, city policeman, said considerable damage had been reported and cows roaming at large should be taken up at once by the owners to avoid impounding by the city.

During war time and under present emergency food conditions it is vital that all gardens be protected.

### 21,700 Ration Registrations Are Reported to Date

F. L. Gregory, secretary and manager of the OPA in Milam county with offices in Cameron, said at noon Wednesday that a total of 21,780 registrations had been reported for ration book No. 2.

The registration report is not complete. Mr. Gregory said indications were that some 32,000 would register. This number, he said, would be far short of the registrations for Book No. 1, last year.

A number of schools are yet to report on registrations.

The population of the county has been reduced due to exodus to war centers and army inductions.

Will Rogers, former resident of Milam county, now of Stanton, is here for a few days visit with relatives.

Mr. and Mrs. J. B. Oldham of Rockdale were visiting in Cameron Wednesday.

### Noted Artist Paints War Poster

Urging Americans to "Keep 'em Flying" through the purchase of more War Bonds, the above poster will soon make its appearance in several hundred thousand stores and display spots throughout the country. It was painted by Georges Schreiber, internationally known artist, whose pictures hang in the Metropolitan and Whitney Museums in New York and other museums in various cities.

### Keeps 'Em Flying

SGT. ROBERT LEE BATTE, III

Staff Sgt. Robert Lee Batte, III, keeps 'em flying at Goodfellow Field in San Angelo, one of the largest basic flying centers in the world.

Sgt. Batte has made fine progress in the air corps. He volunteered before he became of military age and before he registered or his number had been called. After his graduation from high school here in the class of 1942, he attended military college from which he left to enter the air corps.

Sgt. Batte became a mechanic through the schooling of the air corps and was rapidly promoted from private to his present rank of Staff Sergeant.

He first reported for service at Fort Sam Houston and from there went to Ellington Field at Houston, later being transferred to Goodfellow Field in San Angelo.

Sgt. Batte is the son of R. L. Batte, Jr., of Fredericksburg, and grand son of R. L. Batte, Sr.

### George Viereck is Acquitted by Supreme Court on Nazi Charge

George Sylvester Viereck, notorious apologist for the Kaiser government of Germany in the last war and confessed Nazi agent in America in World War 2 was freed by the Supreme Court Monday.

Viereck was charged with failing to register as an agent of an enemy government.

The verdict of the supreme court was received with resentment. A radio commentator said the court had held Viereck to be as good American as Collin P. Kelley.

Dorothy Ann Broussard, who is attending Yoe High School spent the week end with her mother in Caldwell.

### In New York

CURTIS DOYLE PHIPPS

Curtis Doyle Phipps, Seaman Second Class, is in the United States Navy and stationed in New York.

Phipps is a former Yoemen and played on the football team in 1942 under Coach Wood. He enlisted in the navy on November 2, 1942.

His first assignment was in Chicago where he completed his preliminary training. From Chicago he went to New York where he is now stationed.

Seaman Phipps is the son of Mr. and Mrs. Clay Phipps of Maysfield, one of a number from the Phipps family in the armed service. Phipps, in addition to playing football was a basketball star and graduated in June 1942.

### CAMERON FIREMEN TO GET WAR INSTRUCTION

Cameron Firemen are soon to get war instructions.

Chief Frank Williams, Field Instructor of the Firemen's Training School, will be in Cameron Wednesday March 10 at the District Court room.

Rudolph Richter, local fireman, brought the announcement to the Herald Wednesday.

Fire Chief Jack Henederson was anxious to have a full representation at the meeting.

The purpose of the meeting will be to discuss methods of training firemen and auxiliary firemen for war time operations.

It was suggested that the public might be invited to attend in order to give a complete emphasis to the work.

John Kloypas of Burlington was in Cameron Tuesday.

Harvey Burch of Rosebud was a Cameron visitor Monday.

### MARCH 10 LAST DATE FILE FOR ALDERMAN

March 10 is the last date on which names may be filed for the ballot for Aldermen in the city government.

The City council on Tuesday night fixed the date in accordance with law.

The general city election will be held in April. Three terms of aldermen expire and three aldermen must be elected.

### March of Time Film Here Saturday About "Fighting French"

What is happening inside France?

The March of Time film at the Cameron Theatre Saturday March 6 takes movie goers behind the scenes to tell the story of the Frenchmen who never surrendered—the under ground army and the Fighting French forces of General de Gaulle.

With interest in the question of a second front at fever pitch, the editors of March of Time have told this story in a new, exclusive film, throwing fresh light on the extent of French resistance both inside and outside France.

Besides showing the France which the Germans are trying to make over—the France which to civilized people the world over represented a cultural ideal—the editors reveal some of the desperate measures being taken by courageous Frenchmen, working inside occupied territory, to undermine Nazi efforts at control.

The picture will be shown for one day only Saturday, March 6th.

### Lone Star Gas Turns 3,445,555 Pounds of Scrap to War Plants

Lone Star Gas Company turned 3,445,444 pounds of metal and other scrap materials to the government industrial war salvage campaign in 1942 and a citation for outstanding participation in the program has been given the company by the War Production Board through H. M. McDougal, chief of the public utility division, industrial salvage branch. The materials were directed to war production plants.

During the first six months of 1942 the company turned in 900,000 pounds of salvage, and in the third quarter the figures was 750,084 pounds, making a nine-month total of 1,650,084 pounds, according to C. F. Wilson, Dallas, supervisor of stores and administrator of salvage and scrap for the gas company. The accumulation for the fourth and final quarter totaled 1,705,360 pounds, bringing the year's total to 3,445,444 pounds.

Mr. Wilson said that the company will participate in the war salvage project for the duration. His responsibility is to see that obsolete or materials otherwise not serviceable are sold to junk dealers who forward the salvage to war production plants. Material included are scrap iron, steel and other scrap metals, scrap rubber and paper, and discarded ranges, etc.

### Grand Jury Adjourns After 1 Day Session With Only One Bill

The Grand Jury in District Court adjourned here Monday after a 1 day session in which only one bill of indictment was returned.

The indictment returned was against Richard Henderson for felony theft. Henderson is charged with stealing chickens.

No misdemeanor bills were returned. It was one of the shortest sessions in the history of the court. Only 12 witnesses were examined.

The grand jury asked to be permitted to adjourn subject to call at any time during the term of court and this request was granted.

Mrs. Frank Polansky, Mrs. Margaret Schattle, Mrs. Joe Hehner and Father Duda visited in Houston Monday.

Dr. James Watson, well known dentist here is suffering from an injured hand and is not able to be at his office.

### AUSTRALIA IS SAVED BY AMERICAN AIRMEN

An entire invasion fleet with some 15,000 Japanese soldiers has been wiped out by American airmen under General Douglas MacArthur, it was made known at noon today.

In all 22 ships have been sunk and 62 Japanese planes shot down into the sea in the fierce battles which have raged since Monday in the Bismarck sea approach to New Britain Island.

The United States lost 1 bomber and 3 fighter planes damaged in the fight.

Planes flying back over the scene of the battle early Thursday said not a single ship nor a live Japanese could be seen anywhere.

General Douglas MacArthur said the defeat is a major disaster for the Japanese and for a time completely disrupts his South Pacific plans.

In the Mediterranean British submarines sent 7 Axis ships to the bottom.

The RAF was over Hamburg last night to keep up the day and night air devastation of Germany.

Little activity was noted in Tunisia except in the air where the Americans are gaining the upper hand.

The Red Army in the Orel sector has captured 11 more towns. A noon dispatch said that the Germans are giving up Orel as they did Rzhev.

### Training The WAACS

LIEUT. JOHN WATSON

Lieut. John Watson has been assigned to the important duty of training WAACS for their share of service in the armed forces.

Lieut. Watson enlisted in the army at Houston on January 20, 1941. He was sent to Camp Bowie at Brownwood where he obtained his primary training and was assigned to duty at the office of the Post Adjutant and in April of 1942 had advanced to the rank of Sergeant.

From Camp Bowie he was sent to Camp Blanding, Florida, where he was made a Technical Sergeant. From Camp Blanding he obtained admission to Officers training school in Washington under the direction of the Adjutant General of the army, from which he graduated to obtain a commission as Second Lieutenant. Lieut. Watson then went to a Pedagogical School to train WAACS and is now stationed in Denton.

Lieut. Watson is the son of Judge and Mrs. John Watson, was born and reared in Milam county, graduated from Yoe High School in Cameron and attended Texas University for two years.

Cecil E. Stephens of North Elm was a Cameron visitor Wednesday.

Miss Gloria Halberdier, daughter of Mr. and Mrs. August Halberdier, left Wednesday to secure a position at North American in Dallas. Her many friends in Cameron regret to see her leave.

# **OUR RESPONSIBILITY**

## **TO BRING YOU THE NEWS**

Responsible journalism never is dictated to nor does it dictate.

An opinion is as American as the Constitution.

To print the news where and when we find it, has always been a cardinal principle with The Herald. That in large measure is why we can always visit each week in homes of more people than any other two newspapers combined in Milam county.

This old newspaper knows no master save the people. To them we owe the first obligation and to them we discharge it.

Rely on The Herald. We print the news as we find it and just as it is. That's good journalism and the thousands who read us each week tell us it's the best policy.

# **The Cameron Herald**

## Personal Mention

Mrs. C. E. Archer and small daughter, Mary Leora, are spending several days with Rev. and Mrs. C. W. Sanders this week. Mrs. Archer is the wife of C. E. Archer, former Educational director of the First Baptist church in Cameron.

We don't experiment with your radio—We repair it—You pay less for our service. Anymake radio. Parma Radio Service.

John David Herron of San Gabriel was a Cameron visitor Thursday.

Dr. B. M. Avent of Rosebud was visiting in Cameron Monday.

Mrs. Vard Hutherson of Palestine, has returned to her home after visiting her sister, Mrs. W. G. Harsha.

## FIRES VISIBLE 200 MILES LEFT IN WAKE

Berlin, capital of Hitler's Nazi empire, was bombed Monday in what the usually reticent British Air Ministry said was the most devastating blow of the war.

It was the 52nd time the German capital had been bombed since the war began.

Fires visible for 200 miles were said left in the wake of the raid. The British lost 19 bombers.

The Germans said that loss of life resulted and tried to minimize the extent of the devastation. British bombs are said to have fallen in the heart of the city. The Germans said that a number of cathedrals were bombed and this would fix the target area near the center of the city.

While the British were giving the

German capital its hardest blow from the air American bombers were over Naples.

In London a hint was given the great air assaults in Germany were preludes to a coming invasion of the continent. This has been said before.

General Douglas MacArthur reported that the Japanese are converging on New Guinea with a large convoy of ships in a rainstorm.

American air men in the South Pacific were not able to intercept the Japs because of bad weather conditions. General MacArthur indicated he thinks the Japs are getting ready for a serious attempt to retake their lost positions in the Solomons area.

The Red armies were advancing Northwest of Moscow and at other points. The war was slowing down, especially in Tunisia.

J. D. Kornegay and Oscar Gross of Rockdale were Cameron callers Tuesday.

## "There goes 'Tex' again!"

"What a soldier, that 'Tex' . . . tough, rugged, and smart . . . Watch him push that tank into the thick of it . . . acts like he's been around machines all his life, and never tires of wrangling that clanking monster."

Yes, 'Tex' does take to machines. He likes tinkering with them, and he's had plenty of experience with the farm tractor, the family car, the windmill.

And he takes to war, too. Thousands of young men just like him from the Lone Star State are in every branch of America's armed forces. Nearly every outfit has its 'Tex.'

More than 2,000 of them have gone from their peace-time jobs with the Humble Company, and standing firmly behind them is Humble's army of nearly 13,000 "home front" soldiers dedicated to that tremendous job of supplying American and Allied fighting machines with essential oil supplies.

The same research, technique, and up-to-the-minute equipment, which in peace time gave you Esso Extra gasoline, 997 Motor oil, and second-to-none products for your home, your farm, and your factory, today is fashioning from Texas crude the vital tools of war. Below is a partial list of the Victory products which flow from Humble refineries:

**HUMBLE PRODUCTS FOR THE MACHINES OF WAR:** Asphalt, Aviation Gasolines and Aviation Engine Oils, Camouflage Paints, Diesel Fuels, Engine Oils, Univas Instrument Oils, Marine Paints, Navy Symbol Lubricants, Recoil Oils, Rust-Don Protective Coatings, Stratosphere Greases, Toluene, Torpedo Greases, Waxes, Waterproof Lubricants. **FOR THE MACHINES OF INDUSTRY:** Automotive Lubricants, Cutting Fluids, Cleaners, Diesel Fuels, Gasolines, Industrial Lubricants, Launching Lubricants, Motor Oils, Paints, Petroleum Solvents, Quenching Oils, Rust Preventives, Waxes. **FOR YOUR CAR:** Products and service to help you care for your car for your country.

### HUMBLE OIL & REFINING COMPANY

13,000 Texans United in the War Effort

HUMBLE

Humble fuels, lubricants and greases have been field-tested and used by successful farmers for years. There is a Humble product for every farm need. Look to your Humble Bulk Agent for advice on your lubrication problems.

## Vogelsang Quota For Red Cross Exceeded; First to Report

The Vogelsang community is the first to report its quota for the American Red Cross war emergency fund.

Mrs. Will Vogelsang reported Saturday to F. G. Blake, roll call director for the county that Vogelsang had completed the canvas.

There were 44 contributors in the community and a total of \$54 given.

Vogelsang has reported first in Red Cross drives on more than one occasion as well as in other co-operative efforts in the war.

## Pvt. Dana Kestenbaum Home On Leave; Likes U. S. Army Air Corps

Pvt. Dana Kestenbaum, U. S. Army Air Corps, is home on a short leave from his station at the San Antonio Cadet field.

Pvt. Kestenbaum and Mrs. Kestenbaum are the proud parents of a baby girl who has been named Mary and the father was passing out the cigars among friends Friday.

Pvt. Kestenbaum says he likes the air corps and the army life. He is a graduate of the University of Texas, was born and reared in Cameron, the son of Mr. and Mrs. S. Kestenbaum.

## Hard Freeze Hits Central Texas

Temperatures considerably below freezing were forecast for central Texas and Milam county Tuesday night.

Shortly after noon the government reading here was not available. The thermometer at the Herald was at 30 at 1 p. m. or two degrees below freezing.

Some rain came in on the heels of the Texas blizzard which struck Cameron early Tuesday morning but not enough moisture to aid crops.

## MUST SELL THIS WEEK

Frigidaire \$125 (cost \$275). Electric Stove \$75 (cost \$175) Gas Heat-rola \$20 (cost \$60). Paint pony and saddle \$85. Plymouth Sedan \$295. Fancy iron wood stove \$10. Over-stuffed divan \$25. FRANK W. IAMS IS  
BURIED AT MILANO

Frank W. Iams, 75, pioneer of the Milano community, died at the home there Monday, March 1, 1943.

Funeral services were held at 3 p. m. Tuesday from the family residence with interment in the Milano cemetery.

Mr. Iams is survived by his widow, one daughter and four sons.

R. P. Williams Suffers  
Bad Burns Friday

R. P. Williams, plumber, suffered severe injuries Friday while at work on a plumbing job at the White Kitchen in Cameron.

Hot metal used in forging gas pipes struck his face, burning his cheek and one eye badly. It was said that but for his glasses he might have lost his eyesight.

Mr. Williams received treatment and will be able to return to his business in a few days.

## CHRISTIAN SCIENCE SERVICES

"Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, March 7.

The Golden Text is: "As many as are led by the Spirit of God, they are the sons of God" (Romans 8:14.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "This people have I formed for myself; they shall shew forth my praise" (Isaiah 43:21.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health and Key to the Scriptures," by Mary Baker Eddy: "The Science of being reveals man as perfect, even as the Father is perfect, because the Soul, or Mind, of the spiritual man is God, the divine Principle of all being, and because this real man is governed by Soul instead of sense, by the law of Spirit, not be the co-called laws of matter" (page 302.)

## PROBATE COURT

Feb. 25, 1943, will of Von Gonton admitted to probate. Louis Beard appointed independent executor without bond. H. N. Luckey, T. B. Ryan and John T. Hale appointed appraisors.

Feb. 22, 1943, will of Mrs. Agnes Wolf admitted to probate, no executor named in the will and no necessity for administration.

Feb. 26, 1943, Estate of Woodrow W. Ermis; court found that there is no necessity for an administration and that Mrs. Annie Ermis is authorized to collect \$150 for personal effects of Woodrow W. Ermis, from the War Shipping Administration, division of Wartime Insurance.

Feb. 22, 1943, Court finds that there is no necessity for an administration of the estate of Marshall T. Pond, and Mrs. Ethel Prewitt Pond, mother of Marshall T. Pond, is authorized to collect \$150 for personal effects from the War Shipping Administration, division of Wartime Insurance.

## Appeal For Life of Song Birds Brings Ready Response

An appeal issued Saturday through the Daily Herald for the life of the song bird in Cameron, brought ready response.

City Marshal Dan Lunsford, within a few minutes after the Herald was issued, pledged his full co-operation and expressed his appreciation for those who have taken an interest in preserving bird life.

Mr. Lunsford had been active already and has confiscated a large number of weapons, known as nigger shooters, used by boys in killing birds. Mr. Lunsford had also taken up a large number of air rifles. He said shot could not now be obtained.

Any further killing of song birds should be reported to Mr. Lunsford. He is ready and willing to co-operate with the people in every way and will take drastic measures, if necessary to stop the killing of birds.

The annual toll of damage to street lights is heavy and much of the equipment taken by Mr. Lunsford has been used for breaking these lights.

## 100 HOUR RAF RAIDS PULVERIZE GERMANY

The RAF had entered its hundredth hour of intense bombing raids over Germany and great damage was reported to communication lines and to industrial areas.

Talk was revived in London of a second front in Europe. The second front was promised in January 1942.

The Red drive on the Eastern front was slowing down. The Germans were counter attacking and had driven the Reds back in one sector of the Donets basin.

The Allies were holding on in Tunisia.

General Douglas MacArthur warned that the Japanese are massing for an invasion of Australia.

## Large U. S. Convoy Reaches North Africa

Another large American convoy of supply ships have reached North Africa according to the noon news-cast.

Whether additional troops have been landed was not stated for military reasons, but it was presumed that our forces on the continent are being reinforced.

It was presumed the convoy had reached North Africa without loss.

Wednesday—The four neighborhood prayer meetings will be held as usual.

Thursday—Senior choir practice at 8 p. m., Mrs. Winnie Wittliff, director.

## Kite Flying Brings Hazards to Boys; Warning is Issued

Air minded youngsters are again answering the urge of spring to fly their kites, and, as a result, Texas Power & Light Company officials today issued an appeal to kite enthusiasts not to fly their kites in the vicinity of electric power lines.

"In wartime, such as the present, it is patriotic as well as wise to be careful," pointed out J. Albert Young, Jr., district manager of Texas Power & Light Company, in emphasizing the precautions which should be taken when indulging in the popular springtime sport of kite-flying.

Chief among these is to fly kites in open spaces where there are no electric power lines. Kites which fall across, or become entangled in, power lines endanger the continuity of electric service to industries which

may be engaged in production of vital materials needed in the war effort.

Another precaution is to use no kites which contain metal or string with wire in it, since metal is a conductor of electricity.

Flying kites in the rain is also considered hazardous since a wet kite string is also a conductor of electricity.

As a fourth precaution, it is urged that kite-flyers not attempt to disentangle any kite that should fall in an electric line, but call the electric service company, which will send a trained man out to remove the kite.

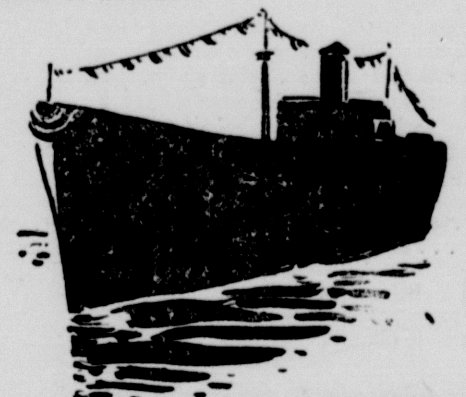

Joyce Cox, attorney of Houston, son of Mr. and Mrs. M. G. Cox of Cameron has returned to his practice after a short visit here this week.

Mrs. O. L. Kidd returned Tuesday to her home in Cameron after a short visit with her sister in San Antonio.

Tell us. Phone 282.

## What You Buy With WAR BONDS

Every shipyard in our country is setting amazing records in the construction of a merchant marine so essential to the transport of supplies and men to the seven seas. The overall cost of these hundreds of ships now building runs into millions of dollars.

Many of them are called "Victory" ships and you are contributing to this victory by your purchase of War Bonds . . . at least ten percent of your income, every payday. We'll need these ships after the war, too, when Peace comes.

U. S. Treasury Department

## NEWS FROM Liberty

Reginald Hilderbrandt of Camp Hood visited his mother last week end.

Mr. and Mrs. Charlie Robinson and children spent last Sunday with Mr. Robinson's parents, Mr. and Mrs. Ed Robinson of Ben Arnold.

Jim Gilliland of Camp Hood spent several days this week with his wife and daughters.

Mrs. Myrtle Pounds has been called to Galveston due to the illness of her daughter, Mrs. Shack Shafer.

Mrs. Jimmie Hartley has returned to her home after a short visit with friends and relatives in Houston.

Jimmy Gunnels of Hanover spent last week end with his grand parents, Mr. and Mrs. Jack Gunnels.

Mrs. Mike Taylor is visiting her mother in Oklahoma.

Troy Gilliland is working in Rogers. Miss Margie Werner of Rogers spent last week end with her parents.

Mrs. Doris Elliott and son, Bobby visited in Temple last week.

Mr. and Mrs. Curtis Hughes of Houston visited in this community last week end.

Pvt. Hallie Loftin, now stationed at Biloxi, Miss., air field, was home for several days this week to visit with his family and other relatives. Pvt. Loftin volunteered for service last fall, though not yet subject to call because of his family. He says the life at the army field is very pleasant and he likes it fine. Biloxi is a famous summer resort on the Gulf of Mexico.

*That Extra Something!*  
...You can spot it every time

THE dry cold air and the exertion of skiing bring a mighty thirst. Ask an expert ski instructor what's the perfect drink to find at the end of a ski run. Ice-cold Coca-Cola. For ice-cold Coca-Cola not only quenches thirst, it adds refreshment.

A quality drink made the quality way, Coca-Cola offers all the difference between something truly refreshing and just something to drink. A special blend of flavors gives it a taste all its own. Coca-Cola had to be good to get where it is.

Your own experience, many a refreshing experience, tells you the best is always the better buy.

Wartime limits the supply of Coca-Cola. Those times when you cannot get it, remember: Coke, being first choice, sells out first. Ask for it each time.

"Ice-cold Coca-Cola" in the midst of ice and snow! But any ski enthusiast will tell you that's when it's mighty welcome. Coke has what it takes for real refreshment.

*Coca-Cola* 5¢

## Draft Toll Here Has Not Disturbed Manpower Nor Restricted Farm Production; Percentage Of Rejections Heavy; War Plants Get Men

The draft toll under Local Board No. 2 at Cameron has not seriously disturbed the manpower supply in the territory nor has it handicapped farm production.

Figures available Friday from the Local Board show that since the operation of the Selective Service System from October 1940 to the present time a total of 545 men have been inducted through the board and of this number 236 have been rejected and sent back home. Substantially the number of men rejected amounts to 45 per cent of the total sent for induction, almost half.

These men have returned to civilian life. The percentage to be recalled is very small and would not affect the rejection total more than 2 per cent.

The number of men drafted or voluntarily inducted do not include the volunteers who enlisted at recruiting stations. Draft boards have no jurisdiction over men who volunteer and under existing regulations they must be accepted of they volunteer. Now that recruiting has been discontinued for men in military age, draft boards will be able to give a more effective protection to necessary industry and farm work.

Milam county's population is substantially 70 per cent rural. The number of men inducted would normally indicate that 70 per cent of

them came from the rural districts. This, however, is not true in the case of Local Board No. 2 which has always given consideration to agricultural workers and in no case deprived any farm of its essential supply of labor.

Farm workers have left the farms for better pay at war plants and ship yards. The farmer, unable to compete with high wages such as paid at these defense centers, has been forced to abandon his activities in many instances and in most part to restrict his production.

Belief that Draft Boards generally are responsible for this situation is erroneous. The fault lies with Washington; failure to visualize the manpower need on the farms in sufficient time to ward off disaster. The non productive class of men is enormous. Young men in military age, single and without dependents are in war plants by the millions.

The total number of men sent to induction stations by Local Board No. 2 at Cameron represents only approximately one and a half per cent of the population of the county. In the war countries of Europe the percentage is as high as 10 per cent.

Men who are rejected in major part do not return to their farms or to their former places of employment but go to industrial centers.

new soft coal workers contract is negotiated. Harold Ickes was given a new order on the coal situation. President Roosevelt has the stomach ache.

New price ceilings have been voted for farm products.

### March Draft Calls On Local Board Heavy

March draft calls on Local Board No. 2 will be heavy according to Mrs. Jack Lewis, Chief Clerk of the Board.

A total of 194 men will be sent to induction stations in March, 81 white men on March 9 and 23 negroes of March 2.

The local board has been able to meet its quotas without taking married men with children but may not be able to continue this policy in view of the exemption of skilled farm workers.

Mrs. Lewis said that of the total number to be sent in March some are replacements for shortages on previous calls.

### Milam Preachers to Meet Here Monday

Ministers of all denominations and faiths are urged to attend a county-wide ministers' meeting at First Baptist Church, Cameron, Monday, Mar. 1, 1943 at 10:00 a. m.

This meeting has been called and planned by the Cameron Ministers' Association for the purpose of discussing items of common interest.

**STATEMENT OF OWNERSHIP**  
Management, Circulation, Etc., Required by the Acts of Congress of August 24, 1912, and March 3, 1933: Of The Cameron Herald, published weekly at Cameron, Texas, for October 1942.

STATE OF TEXAS  
COUNTY OF MILAM, ss:

Before me, a Notary Public in and for the State and County aforesaid, personally appeared J. B. White, who, having been duly sworn according to law, deposes and says that he is the Editor and Publisher of the Cameron Herald and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, as amended by the Act of March 3, 1933, embodied in section 537, Postal Laws and Regulations.

1. That the names and addresses of the publisher, editor, managing editor, and business managers are:

J. B. White, Cameron, Texas.  
2. That the owners are: J. B. White, Robert McLane, W. O. Triggs, H. M. Hefley, Judd G. Davis, McLane Co., J. T. Parma, F. C. Fahrendorf, all of Cameron, Texas.

J. B. WHITE.

Sworn to, and subscribed before me this 27th day of February 1943.

Homer Nabours,

County Clerk, Milam County Texas.  
My commission expires Jan 1, 1945.

## DEATH COMES FRIDAY TO MRS. FRED BISKUP

Mrs. Fred Biskup died at 3 p. m. Friday at the family residence in West Cameron.

She had been ill but her death was not expected.

Funeral services will be held Sunday afternoon with the Green Funeral Home directing arrangements. The funeral hour was to be announced sometime Saturday.

Mrs. Biskup is survived by her husband and five children.

Mrs. L. B. Beavers and Mrs. Tom Beavers of Milano were Cameron visitors Tuesday.

P. B. Bryson was a Cameron visitor Wednesday.

## MAYOR PROCLAIMS TEXAS WEEK HERE

Mayor Leland Green has issued a proclamation designating February 28, through March 6, as Texas week. His official proclamation is as follows:

WHEREAS, the approach of Texas Independence Day and Alamo Day herald a week of deep significance and profound meaning in the minds and hearts of all Texas; and

WHEREAS, I am prompted by the patriotic members of the Forty-Second Legislature, as expressed in Senate Concurrent Resolution Number Eight, and by my own feelings of love, loyalty and patriotism toward my State;

NOW THEREFORE, I, Leland Green, Mayor of the City of Cameron, Texas, do hereby proclaim the week of February 28 through March 6, 1943, as

TEXAS WEEK.

I urge all citizens of this municipality and of Texas to observe Texas Week in an appropriate manner. No one of us will fail to cherish the rich heritage which our founders and forefathers prepared for us of this generation.

During this week let us make much of the spiritual values of our history and of our traditions. Let us dedicate our lives afresh to ideals of statesmanship, character, leadership,

and service. Let us make it possible, as did our forefathers, for our own and for future generations to enjoy liberty as of conscience, of speech, of the press, of worship, of public assembly, and all the other liberties which we cherish.

In this critical hour when democracy, even civilization itself, is at stake, it is more than ever fitting to commemorate the glorious deeds of those who laid the cornerstone of the Texas Empire. Let us prove ourselves not unworthy of the incomparable heritage left to us by pioneers and martyrs.

What they fought for in the past we are determined to hold.

Remember Goliad, Remember the Alamo, REMEMBER PEARL HARBOR.

IN TESTIMONY WHEREOF, I have hereunto signed my name officially and caused the Seal of my Office to be impressed hereon at Cameron, Texas, this 27 day of February, A. D. 1943.

(Seal) LELAND GREEN,  
Mayor of Cameron, Texas.

be a  
**FLAGSHIP PILOT**

FIRST, fly your kite in open spaces, where there are no electric lines!

SECOND, do not use metal or wire in your kite or kite string!

THIRD, if your kite should get tangled in electric lines, do not climb the pole or try to get the kite loose with a pole or stick. Call your electric service company!

This year, more than ever before, it is important that you fly your kite away from electric lines... because not only will you keep your kite-flying a SAFE sport, but, also, you will help in the war effort by preventing accidents and by helping to prevent unnecessary interruption in electric power service.

Be a "FLAGSHIP PILOT!" Fly your kite safely... away from electric lines!

**TEXAS POWER & LIGHT COMPANY**

## WAR ENDS AS ROMMEL RETREATS TO COVER

The war in Tunisia had ended Friday as General Rommel retreated to safety beyond Kaserine Pass and within view of the blue Mediterranean.

Berlin said the German offensive had been completed.

The Americans in the central battle of Tunisia were praised by the British press for their job in throwing Rommel back. Weary from long days and nights of fighting American soldiers were asleep on desert sands with their shoes off and some were observed reading comic sections of newspapers, said the report.

The British 8th Army had penetrated the outer defense of the Mareth Line, but as yet no violent battle had developed between the English and Axis.

The Allies were not seen as pressing their advantage. It was believed reinforcements were being brought up and the battle is yet to be fought.

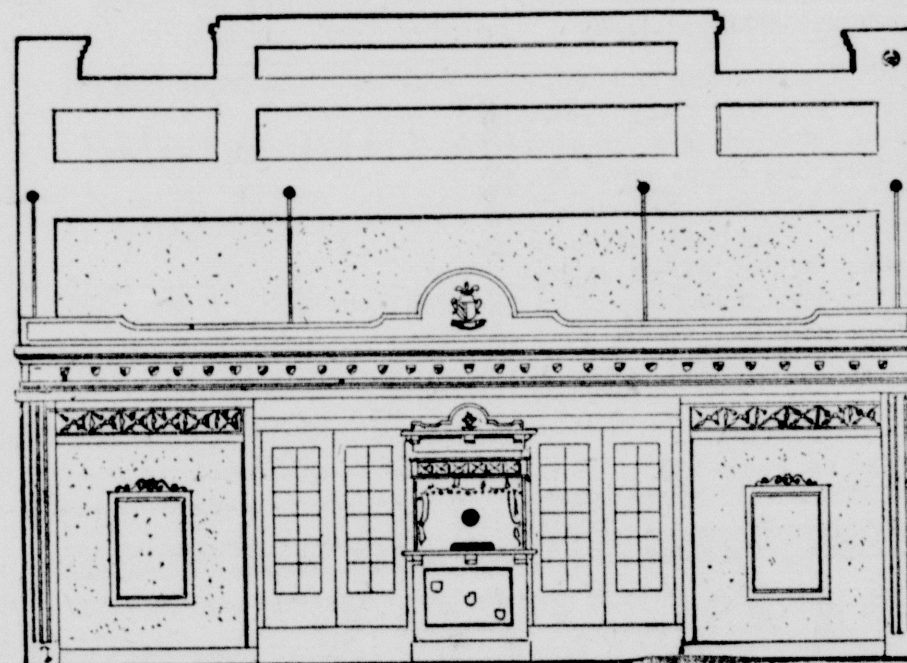

The Germans were slowing down the Russian drive.

American airmen were bombing Naples and the RAF made important and devastating raids over Germany.

The battle of Washington was growing in intensity. The quarrel over domestic issues was heated. Strikes were breaking out and the big shudder was the coming onslaught of John L. Lewis when the

## BAD MEDICINE FOR HITLER & CO.

Some of the greatest heroes of this war must go unsung. Buried deep in laboratories they work night and day compounding bad medicine for Hitler and his cohorts. We will never be able to say which of their discoveries it was that

tipped the scales to victory...but we can give thanks to our men of science and their assistants...who work with little respite and less hope for glory to hasten the Axis' defeat.

## Gladys Chandler and William A. Doyle, Jr., Married in Bride's Home Here Saturday Night

Miss Gladys Chandler became the bride of William A. Doyle, Jr., aviation Machinist mate second Class, U. S. Navy at 8 o'clock Saturday evening, February 27, at the bride's home in Cameron. Mrs. Doyle is the daughter of Mr. and Mrs. John Enoch Chandler and Mr. Doyle is the son of Mr. and Mrs. William A. Doyle, Sr., of Norfolk, Virginia. Rev. Solomon, pastor of the First Presbyterian Church, performed the single ring ceremony in the presence of relatives and close friends.

Ferns were placed on either side of the archway where the vows were taken. Sweetpeas and carnations were placed in bouquets throughout the reception room.

Mrs. Francis Cox played the wedding music accompanying Mrs. Carrie Kuehl who sang "Because" preceding the vows. Ava Marie was the musical background throughout the ceremony.

The bride wore a white Matallaise dress with silver pin stripes floor length. Her finger tip veil of white net was caught to her head with white sweetpeas. In her arms she carried

a slower bouquet of white carnations.

Mrs. Kenneth B. Elliott of Brenham, sister of the bride was matron of honor and wore a Navy blue suit with a corsage of pink carnations. Kenneth B. Elliott served as best man.

A reception was held after the ceremony and the refreshment table was covered with a lace table cloth centered with a double heart wedding cake. On each end of the table were crystal candlebras with white candles. Mrs. Jack Lewis served the coffee while Mrs. Elliott passed the cake.

Mrs. Doyle is a graduate of Yoe High School and since then has been employed in Longview but for the past few months had been employed at Hnery's Slipper Shop in Camerfon.

For her going away dress she chose a navy blue romaine crepe suit with white embroidered pique jabot with black patent accessories and wore a gardenia corage.

After a wedding trip to San Antonio, Mr. and Mrs. Doyle will be at home in Nacodoches, La., where he will attend Pre-Flight School at Normal College.

## 20,000 PLANE WORKERS STILL OUT ON STRIKE

The Washington Labor Front was the most important news center of the day.

The War in North Africa, Russia and the Pacific was just another boresome subject.

Twenty thousand plane workers in the Boeing plant were still out on strike. Senator Connally of Texas was planning to introduce his bill to compel the government to take over plants out of production because of strikes.

What the workers want is the government to take over the plants. They would be working for the government and Congress could appropriate the money for any kind of wage increase.

John L. Lewis was getting ready to step in and tie up the soft coal miners and stop production if a 365 million dollar wage increase is not granted.

Inflation was guaranteed by the bill to place higher ceilings on farm products. Cheap meats are to be hiked in price. Choice cuts are to remain the same. The hamburger eaters will have to pay more while the K. C. Sirlain boys will get their meat at the same price.

A co-ordinator to co-ordinate the co-ordinators was believed in the offing. That would seem to solve many problems.

The second front in Europe was over due since January 1942.

Brave American airmen and RAF fighters scattered destruction in Germany last night. All were weary today and 10 of the bombers were lost. These men of the air do not get time and a half for overtime. There is no absenteeism.

General Rommel is in full retreat. The British 8th army is attacking.

Mrs. Harry K. Moore has concluded a few weeks visit with her mother, Mrs. Tom Denson, going to New Orleans where she will join her husband who is in service.

E. P. Folschinsky, prominent planter from Ben Arnold was in Cameron Thursday on business.

Joe Campbell of San Gabriel was among the business visitors in the city Friday.

## Slaughter of Song Birds Protested by People in Cameron

Boys with rifles who shoot song birds were stirring up spirited protests from women throughout the city Saturday.

Calls came in to the Herald. One woman found 3 dead Mocking Birds in here yard, another found two. Blue Jays and Cardinals have been killed and Sparrows by the dozens are falling before the rifles of small boys who have turned the town into a shooting gallery.

City police in times past have appealed to the parents to take these guns away from their boys. Little or no attention was given the appeal.

Anyone who kills a song bird commits a crime. The law is violated and prosecution should follow. The crime is two fold. The bird is dead and a song is dead.

All rifles should be confiscated for the duration. How shells are obtained is a mystery. Rifles used to kill birds should be confiscated at any time and those who use them subjected to whatever disciplin will suffice to stop the revolting practice.

If the city authorities will step in now without delay and stop the killing of birds they will earn the gratitude of the entire population. If they do not stop it mounting criticism will disclose resentment is apt to leave a lasting bad impression.

This is printed in the nature of an appeal. Nothing could be more revolting than the slaughter of song birds, or birds generally. Parents who know their boys are guilty and take no steps to stop this practice become deficient as citizens and contribute to the shame of it.

The Herald will receive donations for the fund to buy Spinach for Pop-eye and hot dogs for Gandhi.

## Group Leaders Are Chosen For the War Red Cross Campaign

Four group leaders have been chosen by Mrs. W. O. Triggs, residential section leader for the coming War Red Cross drive.

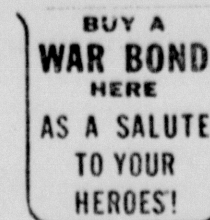

The leaders are in charge of sections as follows: Section 1, Mrs. W. A. L. Robinson; Section 2, Mrs. R. H.

Johnson; Section 3, Mrs. Grady Cooper; Section 4, Mrs. Eber Flinn.

F. G. Blake, roll call chairman for the Red Cross in Milam county, reports a ready response and a complete organization of the workers.

No other public appeal will be made by the Red Cross until the annual roll Call in October. Funds now being contributed are for the war emergency chest.

CAMERON, TEXAS

### VISITS RELATIVES HERE

Mrs. William W. Harvey, formerly Miss Nancy Newton of Cameron, is here on a visit with her mother, Mrs. W. R. Newton, Sr.

Lieut. William W. Harvey, Army Air corps, husband of Mrs. Harvey, is stationed at Lakeland, Florida.

Lieut. and Mrs. Harvey were married in Waco on May 1942. Both are graduates of the University of Texas. After their marriage they lived in Houston and from there Lt. Harvey enlisted in the army air corps.

While in Florida they lived at Fort Meyers Beach. Mrs. Harvey came to Cameron when her husband was transferred. Lieut. Harvey is a native of New York, Mrs. Harvey was born and reared in Cameron the daughter of Mrs. W. R. Newton, Sr., and the late Dr. W. R. Newton, Sr.

Mrs. Wm. Henderson of Waco, is visiting her daughter, Mrs. C. W. Bradbury this week. Mrs. Henderson formerly lived in Cameron and has many friends here who welcome her return visits.

### GOING TO LOUISIANA

Mrs. H. S. Schieffer will leave Cameron in a few days to visit her husband, Ensign H. S. Schieffer, in the United States Navy, who is now stationed at Pilot Town, in Louisiana at the mouth of the Mississippi River.

Mrs. Schieffer is the former Miss Mary Newton, daughter of Mrs. W. R. Newton, Sr., and the late Dr. W. R. Newton. The Schieffer home is in Mesquite. Mrs. Schieffer has recently had an unusual experience assisting in the publication of the newspaper at Mesquite which is named the "Mesquiter."

### SON IS BORN

Mr. and Mrs. William H. Anderson of Houston are the proud parents of of a son, named William Earl, born on February 4, 1943. The baby, their first born, weighed 8 pounds. The mother is the former Miss Josephine Newton of Cameron.

Mrs. W. R. Newton, Sr., mother of Mrs. Anderson is in Houston to be with her daughter.

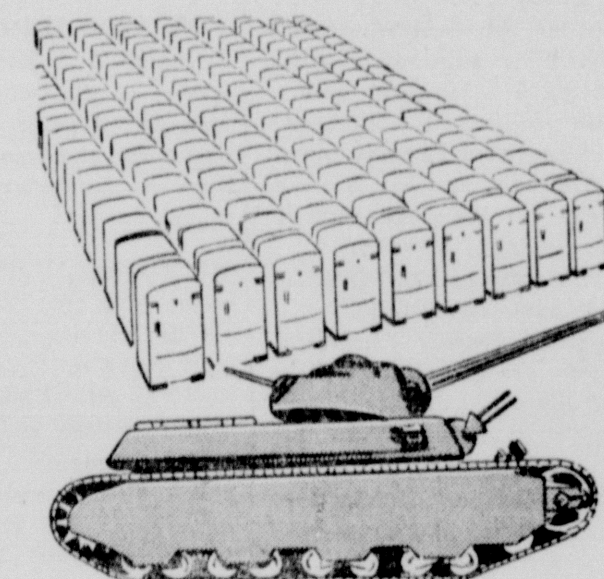

# Co-operation

To obtain the maximum of service in a time of great national need this bank stresses co-operation.

Growing in strength and usefulness this bank is destined to play an increasingly important part in the lives of our people because their financial needs are highly important and we DO discharge our obligations to our friends and depositors.

# Make Them Last Longer

No wonder gas refrigerators are rationed. It takes the steel from about 500 of them to make a 30-ton tank.

## Take Care of Your Gas Appliances

They are too valuable to replace, until we win this war

Since the Gas Refrigerator has no moving parts in its freezing system, it is free from ordinary machinery troubles. But it does need careful defrosting and cleaning, to keep it like new.

1. DEFROST at proper intervals, to keep refrigeration going at an easy clip. (Excessive frost on freezing unit acts as an insulating blanket, making it harder to chill the foods).
2. If the ICE-TRAYS stick, don't go after them with hammer and tongs! Treat them justly, and next time don't let them stick. Sticking trays are caused by (1) Too much water in them to start with; (2) Water on bottom of trays; and (3) Forgetting to defrost.
3. Be very careful to clean off any GREASE that gets on the rubber door-gasket. (Grease destroys rubber.)
4. Do not use steel wool or strong cleaning powder on the refrigerator. It is a sturdy enamel, and needs only the MILDEST SOAPSUDS. To freshen the inside, wash walls with lukewarm soda water (one teaspoon baking soda to one quart water).
5. Do not put dishes or trays on TOP of refrigerator, unless you protect the top with a mat.
6. To get dusty fuzz off the air-cooling fins in the back, put your vacuum cleaner in reverse and BLOW the fins clean, blowing downward so the fuzz can then be removed from floor. The fins can do a better cooling job when they are slick.

LONE STAR GAS COMPANY

# BERLIN DIGGING OUT OF BOMB RUINS

## CITY WITHOUT GAS WATER OR LIGHTS

from the ruins wrought by the RAF raid on that city Monday.

The city is without lights, water or gas. According to the best available information the German capital was hit in the manner of the Cologne raid and the devastation may be more serious than reports indicate.

The RAF was over Germany again in a continuous air attack.

On top of this disaster the Germans had to take another bitter announcement Wednesday.

The Nazi army has evacuated Rzhev 130 miles from Moscow where the Red army was making great progress in the battle to expel Hitler's armies from Russian soil.

Mussolini has withdrawn 10 divisions of Italian soldiers from the Russian front.

Speculation Wednesday admitted the possibility that the Italians might be attempting to get more men to Tunisia. That was not likely in view of the notorious Italian inability to wage war. It was thought more likely the Mediterranean coast of Italy may be defended against what is certain to be an attempt to invade by the Allies.

The campaign in Tunisia was far from over although General Rommel was in full retreat, going in the direction of Bizerte.

Sicily and Tunis have been energetically bombed by the Allies.

## Kickoff Breakfast For City Red Cross Canvas on Thursday

The kickoff for the city canvas for Red Cross War funds will occur at 9 a. m. Thursday at the Cato Cafe.

Rudolph Richter has been named canvas chairman for the city mercantile district and has summoned all his workers for the breakfast, he said.

Mr. Richter said actual solicitation of funds will begin on Monday morning March 8th. He and his workers are responsible for the success of the drive in the business district.

Fred Blake, county roll call director, reports organization complete.

J. M. Boehner, County Chairman, said indications are the quota will be exceeded. Supplies, said Mr. Boehner will be distributed Thursday morning at the breakfast.

Dr. James Watson, director of Home Service, for the Red Cross, will tell about the work of the committee. Dr. Watson has given much of his time and achieved important advances in home service work.

Mrs. J. H. Herron and son, John David, of San Gabriel were in Cameron Tuesday.

## Freeze Damage Is Heavy; Low Reading Here Is 15 Degrees

Freeze damage was heavy in Cameron and vicinity Tuesday night and indications Wednesday were that the temperatures might register lower Wednesday night.

Richard Hester, local weather observer for the government, said the low Tuesday night was 15 degrees above zero, the second coldest weather of the year excepting the January blizzard when 9 degrees above zero was registered.

Gardens were damaged and corn, planted early, was seared by the freezing winds.

## So. Contracting Company Gets Offices in Cameron

The Southern Contracting Company has set up offices in Cameron.

The company has the contract to build piers for the new bridge across Little River and construction has begun.

The right of way was obtained last week and the east approach to the bridge is under construction.

The new bridge will be approached by a causeway across the bottom above flood water levels.

Gaston Barmore, with the State Highway Department is the resident engineer.

## JURY COMMISSION

The County Judge has appointed a jury commission to select jurors for the April, June and August term of the county court. They are as follows: B. M. McMillion of Buckholts, Claude White of Milano and Frank Sherrill of Ben Arnold.

Mrs. Jim Mitcham, Mrs. Henry Michalka and Mrs. Erwin Dusek attended a shower given Mrs. Edsel Lee, the former Miss Johnnie Williams, at the home of Mrs. E. E. Phillips on Saturday at Buckholts at 4 p. m.

Bill Burns, United States Navy, is home on a few days stay before reporting for duty. He has been at the University of Houston for several weeks in school and will go to Corpus Christi where he will be stationed. Bill is a member of the firm of Marek-Burns, undertakers and burial insurance. He volunteered for service in the navy. He is a graduate of Texas Technological College at Lubbock.

## JAP INVASION FLEET BLASTED BY YANKS

A Japanese invasion fleet has been attacked and routed by United Nations airmen off New Guinea, according to a report from General Douglas MacArthur's headquarters in Australia.

Two Japanese ships have been sunk and two set on fire by bombs from American flying fortress bombers.

The battle is still in progress and American losses have been light. Thirteen Japanese planes have been shot down.

## CAMERON GETS NEW CHURCH

The Church of Christ, formerly located at Hoye, has purchased a building in Cameron and will hold their first services Sunday.

A notice is printed in today's issue of the Herald. The building is located at the intersection of Highway 77 and Highway 36 east of the city.

This purchase gives Cameron another congregation and the people extend a cordial welcome to this new church.

Misses Patsy and Sarah Esslinger, have been visiting their aunt, Mrs. Arthur Fuquay and husband in Anderson. They are the charming little daughters of Mr. and Mrs. Andrew Esslinger.

Mrs. B. Slocomb has concluded a week's visit to San Antonio where she was a guest of her son Freeman (Mut) Slocomb and family.

Mrs. Dick Houston who spent two weeks here with her mother, Mrs. Emma Butts, returned to her home in Houston Thursday afternoon.

Miss Beryl Bigbee who has been visiting here and in Temple for some time accompanied her parents, Mr. and Mrs. Edwin Bigbee to their home Sunday in Palestine.

Earl Bailey, former employe at the Herald, and now with the Freeport Facts, is in Cameron on a visit over the week end.

Mrs. M. M. Letcher formerly of Dallas, now of Houston, is visiting her neices, Miss Aetna Smith and Mrs. Rush A. Thomas.

Mrs. Lucille Brady of Temple, returned to her home Tuesday morning after spending a few days here with Mrs. Emma Butts.

Anita Dusek visited friends and relatives in Caldwell over the week end.

## NEWS FROM MAYSFIELD

Mr. and Mrs. A. D. Brown and son David of Houston and Mrs. Hal Armstrong and daughter Dianne of Austin, visited their mother and father Mr. and Mrs. John Thweatt last week.

The WSCS met in the home of Mrs. Sherwood Cobb on Wednesday afternoon.

Mr. and Mrs. Forest Smith of Houston spent last week end with her mother, Mrs. E. J. Newton.

Pat and Tommie Gleason spent last week in Burlington visiting their father.

John and Jane Freeman, Wayne Thweatt, Bob Newton, Carl Cooper and a crowd of Cameron girls spent Friday at Sugar Loaf Mountain.

Miss Minnie Lee Fathree of San Marcos visited her father and mother Friday and Saturday.

Mrs. J. B. Mock visited relatives in west Columbia last Sunday.

Evrett Newton and daughter, Mary Ann of Shreveport, La., Mr. and Mrs. Carlton Newton of Henderson, Ladell Newton of Arkansas, Mrs. J. B. Carey of Tyler, attended the funeral John C. Newton and were guests of their parents Mr. and Mrs. Gail Newton.

Prayer Meeting each Thursday night at 8 o'clock at the church led by Rev. Smith. Everyone urged to come. Week of dedication service this Thursday night also.

Mrs. John Little of Velasco visited her brother, Dan Thweatt last week.

Mr. and Mrs. LeRoy Massengale of McGregor were visiting in Maysfield Sunday.

Billie and Bettie Freeman who are attending school in Jacksonville spent last week end at home.

Bryan Floyd of Freeport visited his mother, Mrs. Tow Floyd Sunday.

Mrs. Ewell Walston and daughter Mary Lou were guests of Mr. and Mrs. Jimmie Thweatt.

The Womans Auxiliary met in the Manse on Monday afternoon.

Mrs. V. L. White and Mrs. R. E. Wise visited in the J. D. Martin home.

Mrs. Oscar Hightower of Walkers Creek and Miss Annie Lou Vaughn of Mexico spent last Thursday with Mrs. Roy Newton.

Mr. and Mrs. B. F. Angell and children of Brazoria and Finis Thweatt of Houston, Ernest Thweatt of Freeport visited home folks over the week end.

Miss Sprott is a senior music student at Mary Hardin-Baylor.

Saturday: Inside Washington, D. C.; The Adventures of a Christian Newspaper Man in the Nation's Capitol.

## MRS. BISKUP FUNERAL IN CAMERON SUNDAY

Funeral services for Mrs. Rosie Macik Biskup, 57, who died at the family residence at 903 West 1st Street in West Cameron at 3 p. m. Friday, February 26, 1943, will be held at 4 p. m. Sunday, February 29, 1943, from the Chapel of the Green Funeral Home in Cameron.

Mrs. Biskup had been ill of health for the past year. She was born in Czechoslovakia on May 7, 1885. She came to America with her parents in the same year.

Surviving are her husband, Fred Biskup; 5 daughters Mrs. Lillie Mc-

Williams of Cameron, Mrs. Freddie Skhrak of Rogers, Mrs. Hilda Williams of Mobile, Ala.; Mrs. Olga Wilson of Rogers and Miss Nancy Biskup, now with the United States Army in Shreveport, La.

Rev. John C. Solomon, pastor First Presbyterian Church, in Cameron, will conduct the funeral services and interment will be made in Oak Hill Cemetery with Green Funeral Home directing arrangements.

Will Lee of Rockdale was a business visitor Monday.

M. McCrummen of Buckholts was here on business Monday.

Mrs. Linam Gary of Rockdale was a Cameron caller Monday.

**PENNEY'S**  
J. C. PENNEY CO., INC.

"USE IT UP... WEAR IT OUT... MAKE IT DO... OR DO WITHOUT"

This old proverb is a yardstick for wartime conservation—another way of saying: "Don't throw it away if there's still some use in it!"

This is especially true of clothes. Don't let yourself tire of them! Remodelling and new accessories will work wonders!

Making a little go a long way is part of the Penney tradition especially valuable in wartime!

## SAVE ON EVERYTHING

The food thrift program urges to turn our thoughts to saving food; to getting the most nourishment from plentiful things, making a little meat go a long way

And first we must learn where and how to buy best.

The same applies to your other buying. Today—as always—Penney's is a good friend to those who are doing their part in every branch of wartime living!

**PENNEY'S THRIFTY WAY IS THE AMERICAN WAY**

GIVE GENEROUSLY TO AMERICAN RED CROSS

## Santa Fe Reports

on its first year of war operation

During 1942, Santa Fe moved 79 per cent more passenger-miles...and 122 per cent more freight ton-miles...than in 1918, during World War I.

And all this was done with 26 per cent fewer locomotives than we had in 1918.

These figures indicate the greatest volume of business we have ever handled.

They also indicate why you may have experienced some difficulties and inconveniences in traveling or shipping by train during the past year.

**Crowded Trains** Our passenger train volume was up 102 per cent last year as compared with 1941. Gasoline rationing, in our territory, will increase that volume even more this year.

The Santa Fe must handle this additional load with its present passenger cars, as no more cars will be built during the war.

**Late Trains** In these days of unprecedented passenger volume it is not always possible to maintain schedules with on-time regularity...and since military trains have the right-of-way over everything else, they often cause our regular passenger trains to be delayed.

At many stations along the line, mail and express are heavier than in normal times—and take longer to load. This is another reason why trains are delayed.

**Car Shortage** Special troop trains are becoming almost routine on the Santa Fe. In just one case, we moved an entire division from one camp—and it took 55 complete trains to handle the men and equipment.

We must also keep our passenger cars in constant service to handle the increased traffic all over the line. For this reason, we cannot always concentrate extra cars at any one point.

**Freight Cars** Due to the submarine menace and the diversion of freighters to other services, almost all of the intercoastal freight tonnage formerly handled by ships through the Panama Canal was hauled by the railroads in 1942.

This brought about an unusually heavy demand for Santa Fe freight cars...increased considerably the average length of haul...and occasionally caused delays in delivering empty cars at some loading points. It also indicates Santa Fe has many busy months ahead.

**Keep 'Em Rollin'!** Please remember there's only one thing we want to do more than keep trains on time and supply cars as promised—and that's keep troops and war freight on their wartime schedule. And we know that's the way you want it!

For up-to-the-minute transportation information, call your local

**Santa Fe Agent**
